Stabler

Only way to clear him is to find him.

Dr. Heinz-Hall

I only know her first name

Stabler

Who else would he go to?

Dr Heinz-Hall

I don't know. He was estranged from his family, but I've been encouraging him to reconnect.

Start

EXT. Brooklyn Street.

Stabler & Munch in the street with a surveyor measuring the block from his transit....Drew Ralsey

Drew

He's an embarrassment to the family.
We want nothing to do with him

Munch

He's your baby brother.
Seems like if he was in trouble, he'd come to you.

Drew

Not after the last time.
I made it clear ... lose my number.

Munch

When was this?

Drew

Couple of weeks ago. Said he needed to rebuild his family support system. I don't know what talk show he was watching, but I wasn't buying.

Munch

So you don't think he's changed.

Drew

I got a wife and three kids, all girls.
I'm not taking any chances.

Munch

You at least catch up? Find out what was going on in his life?
Maybe a special lady?

Drew

Oh, yeah. That was his big pitch. Said he was dating a nice wholesome girl.

Munch
Amy?

Drew

(Surprised)

Yeah, that was the name. I thought for sure he made her up.

Munch
Why's that?

Drew

Said she was, get this, a librarian.

Amy

I haven't seen Benny in a few days. Why, what's this about.

Stabler
You're dating him?

Amy

Yes. We just celebrated our one month anniversary.

Stabler

Have you ever noticed he wears an ankle bracelet?

Amy

It's a little hard to miss. I know all about his house arrest for his gambling problem.
